Thank You for an Awesome Harvest Train!

Every year, we look forward to our Harvest Train program, where the community comes together to kick off the holiday season and enjoy each other's company. It's a time of joy and gratitude, where families and friends gather to share stories, laughter, and delicious food. Harvest Train is our opportunity to say thank you for your continued support and building a sense of togetherness. We are grateful for everyone who contributed to making this event a success, from our kids who work hard preparing the program, our staff and volunteers who help the day run smooth, and the community for showing up! Each Harvest Train is a reminder of the amazing community we have around us that love our kids, and we can't wait to see what next year brings!

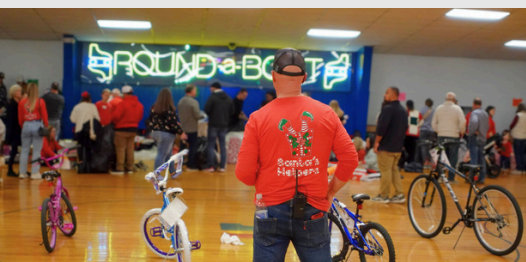

Thank you Santa's Helpers!
